

Drug Safety and Effectiveness Cross-Disciplinary Training (DSECT) Program
A CIHR Training Program in Bridging Scientific Domains for Drug Safety and Effectiveness

2013 DSECT Program Symposium

June 20 & 21, 2013

McMaster University Innovation Park, 175 Longwood Rd. S., Hamilton

Agenda

Thursday, June 20, 2013 (1st Floor Conference Room 1 – A/B/C)

<u>TIME</u>	<u>ACTIVITY</u>
8:30-9:00am	Registration & Breakfast
9:00-9:15am	Welcome & Ice breaker Lisa Dolovich , <i>McMaster University</i>
9:15-10:00am	Plenary: Discovery, successes & failures of TM Singulair & TM Vioxx: a first-hand perspective Ian Rodger , <i>McMaster University</i>
10:00-10:15am	Discussion from plenary Facilitated by: Stuart MacLeod , <i>University of British Columbia</i>
10:15-10:30am	Drug Safety & Effectiveness Network (DSEN) – What is it? Diane Forbes , <i>DSEN, Canadian Institutes for Health Research</i>
10:30-10:45am	Break
10:45-11:30am	Hot Topics in Drug Safety & Effectiveness Richard Kim , <i>University of Western Ontario</i> Eleanor Pullenayegum , <i>University of Toronto</i> Michael Rieder , <i>University of Western Ontario</i>
11:30-12:00pm	Venturing into other scientific domains (and back again) from drug discovery research: a focus on Antibiotics Eric Brown , <i>McMaster University</i> Roderick Slavcev , <i>University of Waterloo</i>
12:00-1:30pm	Reflective Thinking: Trainee Small Group Activity (working lunch) & DSECT Program Mentor Meeting (working lunch in <u>Meeting Room 5</u>)
1:30-2:00pm	Trainee small group presentations Facilitated by: Mark Oremus, <i>McMaster University</i>
2:00-3:00pm	Faculty/Trainee “Speed Mentoring”
3:00-3:15pm	Break
3:15-4:00pm	Trainee/Supervisor “tag team” research presentations Ahmed Hossain & Joseph Beyene , <i>McMaster University</i> Racquel Jandoc & Suzanne Cadarette , <i>University of Toronto</i> Azita Kouchmeshky & Michael Beazely , <i>University of Waterloo</i>
4:00-4:45pm	Career Path Jean Gray , <i>Dalhousie University</i> Diane Forbes , <i>DSEN</i> Denis Grant , <i>University of Toronto</i>
4:45-5:00pm	Concluding remarks: Lisa Dolovich , <i>McMaster University</i>
5:15 on	Dinner at The Ancaster Old Mill (548 Old Dundas Rd., Ancaster)

Friday, June 21, 2013 – 1st Floor Conference Room 1 – A/B/C

<u>TIME</u>	<u>ACTIVITY</u>
8:30-9:00am	Welcome & Breakfast
9:00-9:45am	Plenary - "Drugs for Rare Disorders: New Research Opportunities with the Evolving Canadian Framework" Stuart MacLeod, University of British Columbia
9:45-10:30am	Integrative Session "Paediatric pharmacology: adverse drug reactions and pharmacogenomics solutions" Bruce Carleton, University of British Columbia
10:30-10:45am	Break
10:45-11:00am	Discussion based on Plenary & Integrative Session
11:00-12:00pm	Research Skill-Building Session "Leadership" Shawn Wettig, University of Waterloo & Roderick Slavcev, University of Waterloo
12:00-1:00pm	Lunch
1:00-2:00pm	Research Skill-Building Session "Writing for Publication" Mitch Levine, McMaster University
2:00-2:15pm	Evaluation and Closing End of Symposium
